### **Why do you require a full settlement divorce agreement from me?**

The divorce settlement agreement informs the administrators of the settlement agreed upon, that needs to be honoured in terms of legislation.

### **Who can assist me I can't get hold of my previous employer to sign my benefit claim form due to the fact the employer; has moved overseas/has passed away/telephone numbers are invalid/moved addresses/closed the salon.**

Write a letter to the Principal Officer explaining your situation and submit this letter with your original claim form. We will send this to the Principal Officer and ask if he can investigate and sign on your previous employer's behalf.
