

Want easy access to your fund?

Download the

**INTOUCH** BY **VERSO**

app to:

- View your fund value
- See your personal info and edit your contact details
- Manage your beneficiaries
- View your annual benefit statement and more...

**All your personal fund info available quickly, easily and securely.**

To secure a successful registration, your fund administrator must already be in possession of your mobile number. This information is to be forwarded to the fund via your HR department.

To register for the app go to: [www.verso.co.za](http://www.verso.co.za) - client login and select 'create a new user account'
